Product Information

This beautifully made Extra Large Teddy Bear Cremation Urn is the perfect urn for those individuals looking for a huggable memorial which they can display and remember with daily affection. This urn design is preferred by parents struggling with the challenge of lessening the pain and loss experienced by their small children and young adults. As a keepsake urn, many families divide their loved ones or pets cremains amongst different family members and purchase multiple Teddy Bear Cremation Urns.

Each bear has a zippered opening on the back for the easy installation of the cremains. A small plastic bag is included with each bear for holding of the cremains while inside the urn. A small red fabric heart is also included for holding remembrance keepsakes. As a keepsake urn, you are not able to install all of the cremains in one singular bear.

Optional Personalization

An optional personalization can be done in either a script or block style font. Personalization can be up to 2 lines with 20 characters per line.
