Product Information

The Small Photo Cube walnut wood finish cremation urn is made from composite wood. It is a unique way to display up to 5 photos of a loved one. The top half of the urn can spin 360 degrees making this a one-of-a-kind memorial. Each side of the urn will hold a photo with a maximum size of 2-1/2" wide by 2-1/2" high.

Simple Sealing

The inside of the urns lid is lined with 3M™ VHB™ tape (Very High Bond). This clear acrylic tape allows you to easily seal the lid to the base without the use of glue. Simply peel the tape liner off and gently press the lid on the base.

Poem Choices:

Losing You

Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Butterflies to Heaven

If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

Forever in My Heart

Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart

No Farewell Words

No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Perhaps the Stars

Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

Footprints in the Sand (Excerpt)

My precious child,
I love you and would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you.

Never Forget

Your presence we miss
Your memories we treasure
Loving you always
Forgetting you never

If Tears Could Build a Stairway

If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

When Someone You Love

When someone you love
becomes a memory,
the memory becomes a treasure

Those We Have Held

Those we have held
in our arms for a little while,
we hold in our hearts forever

If Love Could Have Saved You

If love could have
saved you, you would
have lived forever
