Why choose engraving?

Some cemeteries can require direct engraving for identification purposes. In the incident of being misplaced or lost the engraving can help return the memorial back to it's proper location.

For expedited or rush orders we make every effort possible to ship same day even after 12:00pm. Poem Choices:

Losing You

Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Butterflies to Heaven

If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

Forever in My Heart

Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart

No Farewell Words

No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Perhaps the Stars

Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

Never Forget

Your presence we miss
Your memories we treasure
Loving you always
Forgetting you never

If Tears Could Build a Stairway

If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

When Someone You Love

When someone you love
becomes a memory,
the memory becomes a treasure

Those We Have Held

Those we have held
in our arms for a little while,
we hold in our hearts forever

If Love Could Have Saved You

If love could have
saved you, you would
have lived forever
